Launch

concept

Mobiliteit en duurzaamheid zijn problemen die acuut zijn in de eerste helft van de eenentwintigste eeuw. Hoe kan een CMS gebaseerd softwaresysteem het delen van voertuigen faciliteren.

Analyse

Vue

- Nieuw framework
- Veel tijd 'verloren' met tutorials

Drupal

- Gekend CMS
- Gedefinieerd in opdracht

Materialize CSS

- Nieuw te ontdekken
- Geen jQuery

Functionele specificaties

CMS

- Toevoegen
- Uitlezen
- Wijzigen
- Verwijderen

Functionele specificaties

Webapp

- Overzicht voertuigen
- Gebruiker
- Aanbieder
- Specificaties van het voertuig
- Toestand voertuig

Niet- functionele specificaties

- Webapp grafisch verantwoord, esthetisch verzorgd en gebruiksvriendelijk
- Content moet echt representatief zijn

Planning

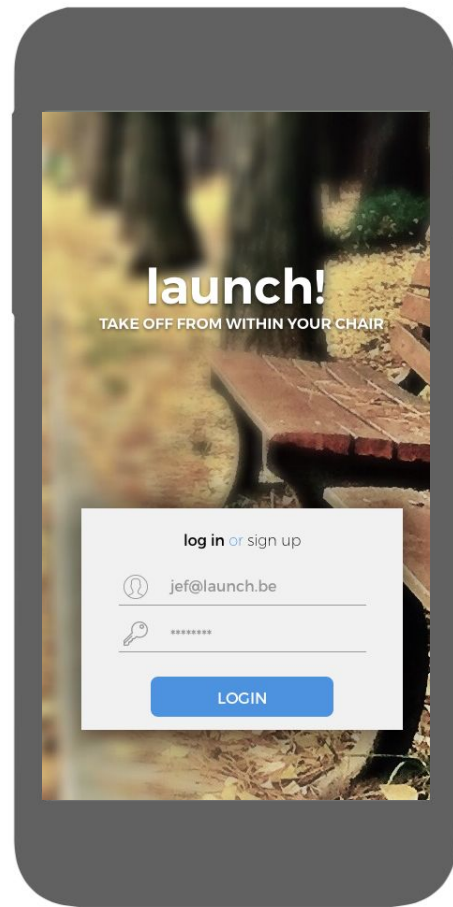

Week	Omschrijving
Week 1 - 6	<ul style="list-style-type: none">- Volgen van de verschillende hoorcollege's. Zowel het CMS gedeelte wat reeds gekend is als de college's over Vue.- Vuecast doorlopen om gewoont te worden aan dit nieuwe framework.- Informatie opzoeken over headless Drupal.
Week 7 - 8	<ul style="list-style-type: none">- Uitschrijven van de wireflow voor de applicatie- Opmaken wireframes en screendesigns toegepast op de wireflow
Week 9	<ul style="list-style-type: none">- Opzetten test project om alle functies van de API kleinschalig te testen.- Registratie en login testen.
Week 10	<ul style="list-style-type: none">- Opzetten van module met enities- Toevoegen van data en aan de entities
Week 11 - 15	<ul style="list-style-type: none">- Coderen van de applicatie- Opmaken productiedossier

Visual Designs

Webapp

login

register

A mobile application interface for registration. The screen has a dark grey header with a blue bar containing a hamburger menu icon and the word "Launch". Below the header, the word "REGISTER" is centered. The registration form consists of four input fields with placeholder text: "Enter username", "Enter email", "Enter password", and "Enter password again". A grey "REGISTER" button is positioned at the bottom of the form.

vehicle reservation

A mobile application interface for vehicle reservation. The app has a dark grey header bar with a blue bar on top containing a hamburger menu icon and the word "Launch". Below the header, the main content area is white and contains the text "MAKE RESERVATION" in bold, followed by a subtitle "A subtitle with some explanation". There are two input fields: "From" and "Until", each with a horizontal line below it. Below these fields, the text "Days: 0" is on the left and "Price: €0" is on the right. At the bottom of the form is a grey button labeled "RESERVE".
